Re: Acceptance of 3rd Party Certification for MDLeak™ nonvolumetric tightness test method in Kansas.

Dear Mr. Rabb:

The Kansas Department of Health and Environment (KDHE) accepts the 3rd Party Certification completed by Dr. Ken Wilcox, Wilcox and Associates, INC., for the MDLeak™ nonvolumetric tightness testing method. This letter authorizes the use MDLeak™ nonvolumetric tightness test method in the state of Kansas.

Thank you for your consideration.

Sincerely,

Michael L. Pomes, L.G.
Environmental Scientist
